March 2015

NTEA SHOW RECAP

Mercedes-Benz Metris

Ranger Design, was once again First to Market with a Mercedes-Benz Metris inside the booth. In conjunction with Mercedes, we unveiled a new line of products for the Metris.

Concept Van

We brought our Concept Van to Indianapolis to show off our new line of concept product. The new products included a composite partition, an anti-slam latch for our 5020 and 5025 drawers, and a new Black and Yellow branding for our shelving.

Ranger Floors Coming Soon

Ranger Design is now offering Legend Rubber ULTRAGRIP composite floors for all Work Trucks. Pricing will be released with the April 1st price list and products will be available for order soon thereafter.

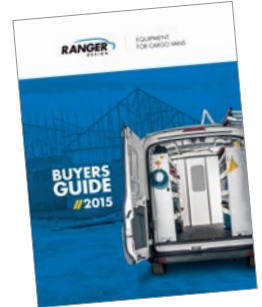

April 1st Pricelist New Pricelist April 1st

Ranger will send out the 2nd Quarter Pricelist before April 1st. The pricelist will include pricing for the MAX-RACK and the floors. There will not be a price increase.

Buyers Guide Now Available

The 2015 Buyers Guide is now online, and we will be mailing a copy out to you shortly. A stock of these catalogs will come in April.

MAX RACK Training

Training sessions for MAX RACK sales have launched. MAX RACK prices will be released at the end of the training session. Reply to this email to sign up for the training. MAX RACK will begin to ship March 30th.
