April 2015

### New Hyundai Van Coming to Market

Hyundai has revealed a new Cargo Van, the H350, set to become the company's first commercial van.

The van is straightforward with sliding side doors and split rear doors that open up to 70 degrees. In terms of capacity, the cargo van has a cargo space that measures 148" long, 70" wide and 77" tall, with 14 integrated anchor points.

The launch date is still to be announced for North America.
