New MAX VIEW Composite Partitions! New Product Line Launching

Ranger Design is promoting a new series of polycarbonate partitions made of thermoformed ABS, these partitions provide a tighter fit, and help climate control, while still maintaining the Ranger safety and availability standards.

The first one to launch is the New Full Composite Partition for the ProMaster City — item 3310-PC, available September 1st 2015, — The MAX VIEW clear polycarbonate top composite partition, item 3320-PC — will be available on November 1st, 2015.

Composite partitions for the Metris, and the Ford Transit Connect will be launched at a later date. Watch this space!
