

INTRODUCING RANGER DESIGN'S NEW

# 1-PIECE COMPOSITE PARTITION

We've expanded our composite partition range to include a single piece partition designed specifically for the GMC Savana and Chevrolet Express

**RANGER**<sup>TM</sup>  
DESIGN

*Our Promise: To Help You Work More Effectively  
by Providing Organized Storage Solutions.*

# BRING SAFETY TO YOUR GMC SAVANA WITH RANGER DESIGN'S 1-PIECE PARTITION

- Made from a durable TPO material that offers superior impact resistance
- 30% lighter than steel partitions
- Offers a tight seal to the walls and floor to prevent temperature loss in the cab
- Quick assembly time and simple install
- Grab handle and other accessories can be added for maximum efficiency
